

## **2026 AsRES-GCREC Joint International Real Estate Conference**

**July 13–16, 2026, Hangzhou, China**

### **Second Call for Papers**

#### **About the Conference**

The 2026 Joint International Real Estate Conference, organized by the AsRES and the GCREC, will be held from July 13 to 16, 2026, at the Hangzhou Blossom Water Museum Hotel in Hangzhou, China. The conference will be hosted by the Chinese Academy of Housing and Real Estate, Zhejiang University of Technology. This premier academic and professional event aims to provide an international platform for scholars, industry professionals, and policymakers to share cutting-edge research, exchange innovative ideas, and discuss the future of the real estate industry. The conference will cover a wide range of topics as listed below. We sincerely invite interested scholars, professionals, and practitioners to submit papers and participate in this grand event. The conference will feature keynote speeches by renowned experts from around the world, as well as academic seminars, policy dialogues, industry sharing sessions, and networking activities, aiming to foster academic collaboration and practical innovation in the global real estate field.

The theme of this conference is **“Future-Oriented Real Estate: Innovation and High-Quality Sustainable Development.”** The conference will feature several thematic sessions for paper presentations, which are tentatively planned as follows:

Real Estate and Macro Economy

Housing Prices and Housing Market

Housing Policy and Equality

Housing Rental Market

Land Use and Management

Smart Cities and the Future of Real Estate

Big Data, and AI in Real Estate

Integrated Development of Real Estate, Urban Resilience, and Urban Safety

Real Estate Finance and Capital Market Innovation

Affordable Housing and Housing Security Policy

Technological Innovation and “Quality- Housing” and “Quality-Service”

Urban Renewal and High-Quality Development  
Comparative Study on Real Estate Development Models Across Various Countries  
Green Building and Low-Carbon Real Estate  
ESG of Real Estate  
Others
